not only is a pharmacy technician program interesting, yet it's also a quick way to become educated in a new career field.

"there will be more landmines ahead for income investors," says anton bayer of up capital management, an investment and financial planning firm

lose one's train of thought it deserves. this agreement is between our company and you ("you" or "customer")

it was what politicians today call a wedge issue: unimportant, even ridiculous, in itself, but with potentially vast legal and cultural consequences
